METHOD ASSESSMENT

Recommend (stylist decides based on hair):

- Tape-ins — best for fine to medium hair, lowest commitment
- Hand-tied wefts — best for medium to thick hair, low-profile installs
- Beaded rows — best for thick hair, no glue or thread
- I-tips — best for very thick hair, full integration
- Fusion / keratin bond — best for natural hair that holds heat
- Halo / clip-in — best for occasional use, no commitment
